CLARIFICATIONS

Up 1/C : up to 1 for each Command

You can field such a troop type no more than one per command. That troop must also stay in its Command. If you have 4 Commands these Units will stay each in their Command and will not be combined together in the same Command. In most lists it appears as an upgrade of a previous line of the same type. In a few cases it is independent and will allow to field one unit per command, up to a maximum of 4.

Example 1 (same type previous line) -

0-2 Carthage Vet Cav CM 5

up 1/C Carthage Vet Cav CM 6

A maximum of 2 Veteran Cavalry that can be upgraded to VBU 6

Example 2 (Independent line - no compatible previous line) -

0-2 Scouts CL 3 1 B 1 Javelin

up 1/C Soldurii Elite FP 6 4 C 3/1 Impetuous

A maximum of 4 soldurii can be used (provided there are 4 commands)
